---

**JOIN US IN THE JOURNEY FROM  
MATANE, QC TO MADELINE ISLAND, WI**

**THE JOURNEY BEGINS JUNE 23, 2015  
WITH A SEND-OFF GATHERING JUNE 22, 2015**

This walk is to raise awareness of the oil spills on the Great Lakes and the St. Lawrence River and the train derailments that have caused disasters to our waters, fish, animals and vegetation. We do not want pipelines across our country or our communities.
